## "MY FATHER DEAR."

By Chas. P. Wilson, Jefferson City, Mo. In a little eastern town, Nestled back among the trees; Stands an old-fashioned cottage brown, Where floats the soft gentle breeze; 'Twas the home of my father dear, Ever good, so true, and kind; Gone, but not forgotten here, By the ones he left behind.

One could but help admiring him, He carried a huge bright smile; A storehouse from his heart within, Real sunshine all the while—He taught to me my A B C's, So patient, willing and sincere; He always ever tried to please, He was my father dear.

We gathered 'round the old homestead, We've learnt to know and recognize; The most of the home once said, Be faithful, honest, as you rise—With tenderness and loving care, Recall the past without a fear; He bore all burdens brave and fair, He was my father dear.

## THE FUNERAL OF LITTLE ETHEL KENARD.

The funeral services of little Ethel Kenard was conducted at the family residence, 2633 East 19th Street, Friday, March 26th, 1920. Rev. James S. Anderson, pastor of Mt. Olive Baptist Church officiated. Messrs. Watkins Brothers had charge; and interment was made in Highland Cemetery. Little Ethel Kenard was born September 27, 1914, and died March 24, 1920. Though very young yet she seemed to be conscious of her death a week before she died, because she told her Aunt Susie the week before she died that something was going to happen next week and urged her not to tell anyone and true to the prediction she died the next week. She was an idol of the family; and the only child of her parents. Her disposition and friendliness was so very sweet and pleasant that all who knew her, loved and admired her. She has gone to rest with God in Heaven. She cannot come back to us, but we can go to her. "The Lord giveth and the Lord taketh away; blessed be the name of the Lord." The mother and family thank the friends for the kindness manifested during Ethel's illness; and their presence and flowers at the funeral. Sleep on, Ethel, until the resurrection day; and mother and all the blood-bought millions in Jesus Christ shall meet you again, and live together forever and every in Heaven.

## A REAL HIGH CLASS CANDIDATE FOR 11TH WARD ALDERMAN.

I was born in Kansas City May 22d, 1870; shortly after my birth my parents moved to their farm which is about one mile East of Kansas City; the farm being on the Raytown Road just north of the present municipal farm. I lived there with my parents until the 5th day of July, 1889, which date I went to work for the old American Electric Light Co., who at that time owned and operated an electric light plant on Southwest Boulevard and Central streets. I continued working at the trade at various places in Kansas City for twelve years; at the end of that time I organized the Kansas City Electric Const. Co., and was its President and Treasurer up to the 14th day of May, 1919, at which time I sold my interest. On the next day (May 15, 1919) I opened a new place of business under my own name (W. L. Hutchison Electric Co.) which I am operating at the present time. During my career as an electrical engineer and contractor I have engineered and installed the electric work in such places as Scarratt Bldg., Gumble Bldg., Gloyd Bldg., Grand Avenue Temple Bldg., Lathrop Bldg., Republic Bldg., Westport High School Public Library Montgomery Ward Bldg., and hundreds of others of the class above. I am married and have a wife and three children. Have lived at my present address 2901 Holmes street for the past sixteen years. I own my own property. I am a member of Trinity M. E. Church; a member of the Commercial Club, a member of the National Electrical Contract Association, a member of all Masonic bodies, was a captain in all the Liberty Bond drives during the war and took a deep interest in all the matters which were carried on in this City in the interest of winning the war. I believe that having lived in Kansas City almost half a century and being engaged in a business that naturally keeps me in touch with the various conditions in Kansas City that I am qualified and capable of knowing what is best needed in this great City of ours.

First I am extremely anxious to be one of many men to clean up Kansas City to the extent of eliminating the Bosses controlling the Political parties as they are being controlled today. By eliminating the present Political Bosses who protect gambling dens and all places of vice it will be the elimination of one of the greatest evils of our city and will thereby red-

move one of the greatest obstructions I am well aware of the great amount of protected evils that is being conducted at this time under police protection and if elected Alderman of the Eleventh Ward I will never let up until gambling dens and such like are put out of business. I am especially interested in the welfare of my Ward and while there is possibly not so much gambling and such like going on in my own Ward as in other Wards I feel it will be a duty to clean up my own Ward. I want to assure the voters in my Ward that if elected that my acts will be governed by the majority of the respectable citizens of the Ward and the City. I believe now and will advocate whether I am elected to the office or not, that our ward shall have a permanent Ward organization with one of its main objects being that of taking up before its body all matters pertaining to the welfare of the Ward and City and through the majority rule of the Clubs govern the destiny of the Ward or in other words as formerly stated my acts will be governed solely by the majority and not by one or two persons as has been the rule for the past several years in our City. If you believe in me I ask that you do all you can for me between now and election Day April 6, not only vote for me but vote for the entire Republican Ticket.

Thanking you for your support, I beg to remain, Yours very truly, W. L. HUTCHISON.
